TRANSLATING &
TRANSLATION STUDIES**

THE MASTER OF ARTS IN SPANISH OFFERS TWO CONCENTRATIONS:

LANGUAGE, LITERATURE AND CULTURE

Spanish and Spanish American Literature, Culture, Linguistics, Methodology, and Applied Language (Spanish for Business and International Trade)

ABOUT THE PROGRAM

The program requires either 30 hours of graduate course work (10 courses) or 24 hours of graduate course work (8 courses) plus a master's thesis (6 credit hours). With the approval of the department, 3 hours of electives in related areas may be taken as part of the 24-30 hours.

EARLY ENTRY PROGRAM

Exceptional undergraduate students may apply for and be accepted into the Master of Arts in Spanish and begin work toward a graduate degree before completion of the baccalaureate degree. Up to 12 hours of graduate work may be "double counted" toward both the baccalaureate and graduate degrees.

GRADUATE FELLOWSHIP

After graduation, several of our graduates go on to become graduate fellows. The Graduate Fellowship is a one-year, non-renewable, postgraduate appointment open to recent graduates of the M.A. in Spanish. Fellows teach 12 credit hours per semester, which allows them the opportunity to gain fulltime teaching experience. Participants have the opportunity to take part fully in the department's academic life, including faculty development programs, funding for regional conferences, and mentoring by senior colleagues. A senior faculty member meets with the fellows and mentors them as they determine their next career steps, inside or outside academe.

TRANSLATING AND TRANSLATION STUDIES
